

Preservation and Cultural Heritage Certificate Course Requirements

You must complete a minimum of 16 credits to receive the P+CH certificate.

P+CH Foundations – Complete the following course (3 credits)

- CRP 5110: Documenting the Historic Built Environment (3-4)

P+CH Areas I – Choose one course (3 credits)

- ARCH 5680: Historic Preservation (3)
- ARTID 5720: Preservation & Cultural Heritage (3)
- CRP 5210: Historic Preservation Planning: Theory and Practice (3)

P+CH Areas II – Choose at least one Historical Backgrounds (*HB*) course (3 credits) and two electives (6 credits)

- ARCH 5280A: Studies in Architecture: Culture (2-3), *HB*
- ARCH 5670: Preservation, Restoration, Rehabilitation, Cultural Heritage, and Technology (3)
- CRP 4210: Financing Historic Preservation Projects (3)
- CRP 5630: Planning the American Metropolis (3), *HB*
- DSNS 5460: Interdisciplinary Design Studio (4-6)
- HIST 4810: Public History (3), *HB*
- LA 5900D: Special Topics: History/Theory/Criticism (1-6), *HB*

Field School – Complete the following course (1 credit)

- DSNS 5910: Field Studies (1)
- DSNS 5900: Special Topics (1-3) A 1-credit version of this Special Topics class can substitute for the field school. One way to complete this requirement is to take a DSNS 5460 Interdisciplinary Design studio (any Spring semester) and participate in the one-week field study that is part of this studio. The one-week field study can count as a DSNS 5900 Special Topics 1-credit course.
