HS 1050. First Aid & Emergency Care	2	HDFS 4180. Reflection Supervision	0.5
Humanities Option	3		
Social Science Option	3		
Total Credits	15	Total Credits	16.5

Advising Notes

- It is our expectation that students know the requirements of their academic program and develop and follow an academic plan based on their academic catalog and degree audit using their individual academic adviser as a resource in this process
- EDUC/SPED courses in **BOLD** are EDUC BLOCK method courses and are taken together. EDUC block courses and several HDFS practicum courses require admission to the Educator Preparation Program.
- For a list of the General Education Humanities, Social Sciences, Biological Sciences, and Physical Sciences courses, see the ECE Approved General Education Selections sheet.
- ISU requires 3 credits of U.S. Cultures & Communications coursework and 3 credits of International Perspectives coursework.
- Study Abroad opportunities are available in fall, spring, and summer. Advance planning is critical to avoid adding an additional semester to the graduation plan. Be sure to talk to an adviser if you plan to study abroad.
