

GRADUATE PROGRAMS

The Graduate College Handbook outlines the general requirements for completion of a graduate degree or credential at ISU. Faculty in a major field have the responsibility for establishing educational objectives for their graduate program, including specific course requirements and research requirements appropriate to the doctoral, master's, and certificate programs in the major. These requirements may place additional responsibilities on the student, the major professor, or the student's Academic Plan Committee beyond those listed in the Graduate College Handbook as deemed appropriate to the goals of the major program.

Faculty and graduate students are active participants in the academic programs of Iowa State University. As active participants, they have a collective impact on the success of those programs and of the university in fulfilling its mission. Each graduate program is encouraged to implement a mechanism for responding to feedback from graduate students as a valuable resource for continuing improvement.

Academic Program definitions

- **Program** - administrative infrastructure supporting the curriculum.
- **Curriculum** - the requirements for a major, certificate, or minor.
- **Major** - subject area of study that results in a named baccalaureate, master's, or doctoral degree upon completion of a set of requirements. A major appears on the academic transcript.
- **Certificate** - an academic credential in a focused area of study. A certificate appears on the academic transcript and may be earned concurrently with a degree or on its own.
- **Minor** - an academic area of emphasis that is in addition to a major. A minor appears on the academic transcript and must be earned in conjunction with a degree.

Doctoral Programs

A complete list of Doctoral Programs can also be found on the Graduate College Programs page: <https://www.grad-college.iastate.edu/programs> (<https://www.grad-college.iastate.edu/programs/>).

Aerospace Engineering (<http://www.grad-college.iastate.edu/academics/programs/apresults.php?id=2>)

Agricultural and Biosystems Engineering (<http://www.grad-college.iastate.edu/academics/programs/apresults.php?id=5>)

Agricultural Economics (<http://www.grad-college.iastate.edu/academics/programs/apresults.php?id=3>)

Graduate Minors

Minors are available in many disciplinary and interdepartmental graduate programs. Some programs offer only a minor. In other programs, students may declare either a major or a minor. Programs offering a major are not required to offer a minor. A student may not major and minor in the same discipline for a single degree or across multiple degrees. To illustrate, a student earning a Ph.D. in computer science may not minor in statistics for their Ph.D. program if they are also pursuing an MS in statistics.

Graduate Minor Only Programs

The following programs are available as minor only. These minors do not have an associated graduate major.

- Applied Scientific Computing (<http://asc.aere.iastate.edu/>)
- Artificial Intelligence (<https://www.cs.iastate.edu/graduate-minor-artificial-intelligence-0/>)
- Criminal Justice (<https://soc-cj.iastate.edu/>)
- Linguistics (<https://apling.engl.iastate.edu/>)
- Philosophy (<https://catalog.iastate.edu/collegeofliberalartsandsciences/philosophy/#graduatemajortext>)
- Spanish (<http://catalog.iastate.edu/collegeofliberalartsandsciences/worldlanguagesandcultures/>)
- Speech Communication (<http://www.engl.iastate.edu/graduate-students/>)
- Women's and Gender Studies (<https://womensstudies.las.iastate.edu/graduate/>)
